

SLAM

Dear Friend,

Veterans are the backbone of this country. Without them, there would be no United States of America. No life, liberty, and the pursuit of happiness. And no way to ensure that our country will continue to be the Land of Opportunity. Veterans have protected our rights as Americans and made the dreams of our forefathers possible.

The combat veterans in our community have different needs, often these needs can only be met by another combat veteran, someone who understands what they have been through. The CVMA is one organization whose mission is to meet those needs, an association of combat veterans from all branches of the United States Armed Forces. Their mission is to support and defend those who have defended our country and our freedoms. They focus on helping veteran care facilities provide a warm meal, clothing, shelter, and guidance, or simply to say "Thank You" and "Welcome Home". The CVMA is a registered veterans organization.

Each year, the Fort Stockton Association for the Support of Local Arts & Music and The Garage Coffee, Music & More team up to put on an all-day music festival to raise funds for the CVMA to help them help veterans. The festival is free for all to attend and enjoy live music from a variety of independent music artists, from folk and country to metal and rock.

Your support is crucial to making this event possible. If you're able, we'd love it if you could make a donation to help make the 5th annual festival possible. Thank you in advance for your contribution.

Your donation to SLAM is tax-deductible.

The 5th Annual Bash Music Festival will be held on September 7, 2019, at Manuel R Nunez park in Fort Stockton. We hope that you can join us!

Thank you again!
